

Put Your Spray Program on the Fast Track to Higher Yields

CropFuse™ NIS by Meristem Crop Performance™ is a quality nonionic surfactant that expands spreading and coverage of your spray applications.

CropFuse™ NIS may be used with pesticides and nutrients at the label use rates or rates recommended on the pesticide label.

DIRECTIONS FOR USE

The addition of adjuvants to some pesticides and/or fertilizers may cause phytotoxicity to plant foliage. Prior to using **CropFuse™ NIS**, the applicator should have experience with the pesticide combination, including **CropFuse™ NIS**, or should conduct a test to determine plant safety.

USE RATE

0.5 – 4 pints per 100 gallons of spray solution

PRODUCT AVAILABILITY

- 2 x 2.5 gallons per case
- 250-gallon mini bulk

CropFuse™ NIS INGREDIENTS

Blend of alkylpolyoxethylene, glycol components, humectant and formulation aids..... 100%
